

St. Mary's Primary School

Dukinfield

Status:

Completed June 2010

Value:

£2.5 million

Client:

Diocese of Shrewsbury

Description:

This project was to provide a new primary school on the existing site to provide enhanced teaching spaces and community spaces.

The design incorporates the use of render and cedar cladding and the use of rainwater recycling, grass roofs and natural ventilation to help meet the standards of the curriculum and the BREEAM target assessment of very good.
